

ARLINGTON AIRPORT TRAIL

The Arlington Airport trail is a 5.5 mile loop with a mix of scenic and industrial sites. Along Airport Boulevard there are paved walkways making for a smooth trek. The Airport trail is good for biking, running, walking and is dog friendly as long as your furry friends are leashed and waste is cleaned up. The loop features both paved and gravel footpaths with a good combination of hills and flat terrain. On your venture, be sure to check out the historical signs along the path telling the rich history of the Arlington Airport.

Access points

1. Airport Boulevard on the west side has four parking lots that can fit 3 cars per lot
