

Whitehorse trail (Oso Memorial)

Two Structures mark the east and west entrances along the Whitehorse trail leading to the OSO Memorial. Parking is located on C-post road and on Steelhead Drive. Paralleling State Route 530 the trail winds through a series of farm, forest and river environments, and contains several fishing access points and river bridge crossings.

Access Point:

From I-5, Follow 530 east to Darrington, 11.5 miles out of Arlington. The route is very scenic with many views of the Cascade Mountains, especially Whitehorse Mountain, Mount Higgins, Prairie Mountain, and others.
